

PhysioFunction

Neurological Specialists

**Stroke? Head Injury? Spinal cord injury?
Cerebral Palsy? MS? Parkinson's Disease?**

Do you or somebody you know need help to overcome difficulties with:

- ✓ Poor Balance
- ✓ Poor use of Hand & Arm
- ✓ Foot Drop
- ✓ Walking Difficulties
- ✓ Spasm
- ✓ Pain
- ✓ Weak Muscles

If so we are hosting a **FREE OPEN DAY**

in aid of **St GEMMA's HOSPICE** for you to come and see how
Physiotherapy and Technology can help with rehabilitation and
maximise independence in daily activities.

You are invited to come along between
10am-4pm and have a free assessment to
see how physiotherapy and rehabilitation
technology can help.

Saturday 18th February 2012
Walnut Tree Physiotherapy Centre
The Orchard, Town St, Horsforth LS18 5BL

To book a free assessment slot with a
Specialist Physiotherapist or to confirm your
attendance please

Tel: **0800 860 0138** or email
jessicaadams@physiofunction.co.uk
